## MEMORANDUM OF UNDERSTANDING (MoU)

between

- 1) M. H. Shinde Mahavidyalaya, Tisangi, Tal. Gaganbavda, Dist. Kolhapur (Maharashtra)

And

- 2) Indu Dyes, Plot No. E 61 MIDC Shirol Kolhapur 416122 (Maharashtra)

This Memorandum of Understanding (Hereafter referred as MoU) made and executed on 27<sup>th</sup> June, 2020 is entered into by and between M. H. Shinde Mahavidyalaya, Tisangi, Tal. Gaganbavda, Dist. Kolhapur (Maharashtra) (hereafter referred as first party) and Indu Dyes, Plot No. E 61 MIDC, Shirol, Kolhapur 416122 (Maharashtra)

### Background

This MoU is executed to promote and strengthen the Institute-Industry interaction for mutual benefit.

### About Institute

M. H. Shinde Mahavidyalaya is located in the village Tisangi, Tal. Gaganbavda, Dist. Kolhapur. Gaganbavda taluka is known for the heavy rainfall, hilly and rural area. It is economically and educationally backward. Under these, challenging

Scanned by TapScanner

circumstances, our Institution, and college have been working very hard to impart higher education in remote area since 1994. Our college is the first college in this taluka. Due to strong support of the Institution, well-wishers, faculty, and citizens of the area, the college could do some work in higher education. In the hilly and backward area, we are trying our best to cater for higher education for the needy, poor and deprived classes. We endeavour to enhance quality in the given circumstance. The college offers various academic programmes in Arts and Science. The College strives for excellence in all its activities, which is authenticated by the fact that the college is accredited with Grade: B (CGPA: 2.55) by NAAC, Bangalore.

### **About Industry**

Indu Dyes is a leading manufacturer of construction chemical, industrial chemical & pharmaceutical chemical in Kolhapur, Maharashtra. The unit was established in 1982 and is engaged in manufacturing of Reactive Dyes, Acid Dyes, Optical Brighteners and Textile auxiliaries.

### **Elements of MoU**

A laboratory technique is an entry-level certification which provides operational knowledge and skills to the students in a manner such that they are able to execute their learning in a practical sense. It is important for the students to learn the significance of each reagent and use them properly as per the requirement of the experiment. Pursuant to these requirements, first party approached to various related establishments to be associated with/as 'partners' for providing necessary assistance, guidance, counselling, 'On the Job Training' continuous evaluation, certification and finally placement of the students who complete the course successfully. We, the undersigned are dealing in/having establishment providing services in the related areas. Pursuant to the invitation first party, we have the pleasure to be associated with and work as the industry partner (as per the description given in the UGC Regulations) provided in the guidelines and therefore voluntarily & enthusiastically enter into a Memorandum of Understanding as per the following details/ Provisions.

### **Role and Responsibilities of Institute**

1. First party will provide training and advanced laboratory skill development for employees of second party.
2. First party will provide library facility of institute to second party.
3. First party will provide laboratory facility of institute to second party.
4. First party will give consultancy in technical areas
5. Implementation of any technical / social program, theme, conducted by industry.  
etc.
6. Provide students with information and resources to promote academic progress

### **Role and Responsibilities of Industry**

1. That the second party will participate in Curriculum Design of the above mentioned course.
2. The second party will allow laboratories for research work of faculty members and students also.
3. The second party shall give permission for field trip/study tour/industrial visit for the students.
4. That the second party shall, as per the time table/course programme, shall provide expertise and faculty for teaching, training and evaluation of the students.
5. That the second party shall provide necessary up-dates, recent changes, developments in the field and shall also provide the necessary literature, brochures, various reports (made publically available) to the College for continuous updating the curriculum design.

### **Terms and Conditions:-**

- 1) The purpose of this MoU is only to express the intentions of the institutes.
- 2) Cost of any event is first discussed before application.
- 3) This MoU imposes no financial obligations on either party.
- 4) Each party shall keep confidential information.
- 5) This MoU will be valid until it is expressly terminated by either party.

Now this MOU is hereby executed duly signed by both parties under their seal & signature on 27<sup>th</sup> Day of the Month June in the year 2020.

In witness whereof the parties hereto through their duly authorised responsibilities have executed this MoU in duplicate on the day, month and year of the date above written
