Programme Report

Women constitute more than 40% of the total student strength of the college. The majority of them come from rural areas, where miserable conditions of poverty, ill-health and superstition take hold of their lives. Thus they are doubly affected by the backwardness and discrimination. So, the college has resolved to take up the cause of Women Empowerment for the women students.

The institute has Saheli Vyakti matv Vikas Manch and counseling committee which takes efforts to empower the students. The faculty conducts some activities to create self-confidence, health awareness among girl students. The Cell realized that initially, girls needed to be aware of their rights and next to bring sensitization among male students. Girls were given a chance to express their views on women's equality. They were enlightened about the first women's equality day and its purpose.

On 11th Jan 2020 Saheli Vyakti matv Vikas Manch and counseling committee together organized Guest Lecture on Cancer in Women and its awareness by Dr. Sangita Nimbalkar, Morya Hospital, Kolhapur. In this lecture Dr. Sangita Nimbalkar from Morya Hospital, Kolhapur delivered lecture to all girl students about the various types of cancer in women. This session was very informative to all. Students cleared their various doubts about their health by Dr. Sangita Nimbalkar by asking questions to her. The theme of this activity was addressed by Dr.S.K.Mengane, Head of Saheli Vyakti matv Vikas Manch and counseling committee. Presidential speech was given by Principal Dr.N.K.Shinde. The program was fulfilled by vote of thanks by Dr.R.M.Waghmare.
